LIVE UNITED. GIVE UNITED.

GIVE TO WHAT MATTERS TO YOU. MAKE A DIFFERENCE.

DID YOU KNOW? –Donors give because they believe they can make a difference by giving – and they do – a big difference.

At United Way of Central New Mexico we grow passion— the kind of passion that builds a better community by focusing on what really matters. United Way is the way a community helps itself.

We invite you to join other people of passion. Become more engaged in your community by growing your passion in ways that suit you best. You can help, and you want to help. There are many others who feel as you do.

Whatever matters to you, we can make it easier for you to get your money where you think it will do the most good. We can also connect you with others who are as committed as you are.

GIVING UNITED:

To maximize the impact of your gift, you can combine your gift with the gifts of other local donors. In this united way, you help provide significant grants to a local network of quality, result-based, critical services. These include services to those who are hungry or homeless; adults or children who are being abused; others struggling with addiction, disability, or illness, etc.

By giving united, you also provide local system-wide improvement efforts. The Albuquerque Family Advocacy Center is one example of system improvement. United Way partnered with the City of Albuquerque to bring 13 partner agencies under one roof to better serve victims of violence. In the first 16 months AFAC has served over 8,700 victims – nearly triple the number of victims served before.

These united giving efforts focus on helping the most vulnerable people in Bernalillo, Sandoval, Torrance, and Valencia Counties.

SELECT GIVING:

If you know of particular nonprofit agencies, here or elsewhere, which you want to support on your own, you can do that through United Way too.

BOTH:

You may want to support Giving United and Select Giving. You can do both through United Way. Because what matters to you - is what matters.

Whatever you choose, United Way of Central New Mexico will help you get your entire donation [100%] where you want it to go. Nothing is deducted because Corporate Cornerstone Companies pay our 12% administrative cost.

So, give to what matters...to you. Make a difference.
