

Barbara McClintock Fellowship Application Guidelines

How to Apply

- Apply to the job posting by submitting a CV online to job # 694042 (<https://www.sandia.gov/careers/>)
- Submit an application packet to mcclintockfellowship@sandia.gov. Complete applications received no later than by **Thursday January 2nd at 5 PM Mountain Standard Time (MST)** will receive full consideration.
- Contact mcclintockfellowship@sandia.gov at any time with questions.

Application Packet

Submit a Cover Sheet, Statement of Interest, and Proposal to: mcclintockfellowship@sandia.gov with "2025 McClintock Fellowship" as the subject line.

Cover Sheet:

- Full name
- Current address, e-mail address, and permanent address for notification
- Telephone and/or cell numbers
- Title of proposed research project
- Title of doctoral thesis/dissertation
- Ph.D. granting institution and year of receipt (or date expected)

Interest Statement (500 words):

- Research interests and professional goals
- What you have accomplished to date with your research
 - What is the important problem that was solved in your work?
- Potential role of the fellowship in attaining career goals

Proposal Template:

- Please email mcclintockfellowship@sandia.gov to request the proposal template.

Reference Letters

Request reference letters from three nationally recognized scientists in relevant disciplines who are knowledgeable about the candidate's capabilities and current or previous research. An additional letter from a Sandia expert is acceptable. The letters should not be included in the application itself. Instead, they should be sent by the author directly, signed and on official letterhead to Sandia at mcclintockfellowship@sandia.gov by **Thursday January 2nd at 5 PM MST**.

Complete applications received no later than by **Thursday January 2nd at 5 PM MST** will receive full consideration.
